Booster Club and the new FHS: The Booster Club met with the project manager for the new school and decided that there would be an area in front of the school that people could purchase bricks with their names engraved on them. This will not be a fund raiser for the Booster Club in order to keep the costs down for the families. They also decided that the pergola area for the students would be outside in the back courtyard of the new school. This area will not be able to be done until the school is completed but is a future project for the Booster Club.

Shannon Longan- Met with Pete Vargas to discuss how to form a FHS Cheer Booster Club. Pete Vargas suggested to make it official she should go to the FHS Booster Club and ask to adopt their bylaws to make this an official group. This parent group would be formed to make it possible to use the Bingo funds for the FHS Cheer squad. This money would not be able to be distributed or used until the cheer parent group is formed. Becky Champlin and Amy Schiers brought up a concern that in making this cheer parent booster club that it would take away from the original FHS Booster Club. Shannon Longan reassured the FHS Booster Club that making a Cheer Booster Club would not take away from the original Booster Club. They would like to establish this group so they can use the bylaws of the original Booster Club to form the Cheer Booster Club so they can access the cheer bingo account to use the funds for the cheer squad. Amy Schiers expressed concern about the reasons why the money in the current account had not been spent. There was also a concern from Tammy Worley that the cheer coaches were not present during the time of the vote. Alison Vincent motioned to approve. Anne Wellman seconded the vote. Motion passed.
