Dear Community Members and Business Partners,

The Frederick High School After Prom is April 18th and we need your help!

The Frederick High School Booster Club After Prom Committee is seeking your help and support in creating a *fun, drug and alcohol free, memorable After Prom* for the students of FHS. After Prom is the *alternative* event put together by parents, the community and the FHS Booster Club with a goal of keeping our kids safe!

We need your donations and sponsorships to help keep our kids safe!

The After Prom is held at the school from 11:00 p.m.– 3:00 a.m. following the Prom. History proves that an event with fun activities (like giant inflatables, carnival games and caricature artists), lots of food and great prizes entice the students to attend and stay at the After Prom.

The After Prom is FREE to all students – making sure that all of our Juniors and Seniors can participate.

Please take this opportunity to make FHS After Prom a memorable and safe experience for the entire community.

All Donations are tax deductible. The FHS Booster Club is a non-profit organization.

For questions please contact AfterProm@FHSBooster.com

Please complete the form and attach to your donation by 4/5/19. Drop off items at the FHS Front Office.

OR mail to **Frederick High School Booster Club POB 903 Frederick, CO 80530**

Your Name _____

Your Business Name _____
