Have a copy of that and will update

Talk about doing a different software to replace Quicken software and help with donations and payments at the concessions. And looking to do some research in some of the options that are out there that might help with bringing the financial area up to date.

Might be an option for some of the other groups and sports to use this software that might not have any options and would help them out as well.

Look into making shirts designs

May meeting notes approved

**Sponsorship** – Ann Schmitz

7 responses to keep banners and waiting on the remaining sponsors. And several new businesses and options that have come to the area so looking to new additions.

Winter calendar and looking to get names of Seniors for this year from the different fall sports programs.

**Concessions**

Online volunteer is now online and there are some groups that are signing up for the different nights. We will need some volunteers to help out with concession for soccer within the boosters group.

**Bingo**

Do we keep the Bingo nights and move a season grant and move over to the scholarship or see what we raise funds and keep the grants and scholarships where they are.

Voted to put Bingo on hold for the 2023 season for the Boosters club hosting. All approved.

Back to school night – couple volunteers to help out with the booth and bring on some new parents to join Boosters

## **Homecoming –**

Looking to split the cost of the DJ fire truck that coach Lloyd of the football team has coming to all home games. But have the same truck for that and the homecoming and tailgate party.

Face painters need more prior to the game and see if we can get some volunteers to help paint.

**Called 8:47 pm**
