Introduction – board members and attendees

New items for the Agenda

NA

Winter Grants – Six applicants

Baseball informed group about the needs and what will be needed to be a successful program.

Went over the spreadsheet of others who were interested in grants, since no other groups were at the meeting.

The winners for the grants are for Baseball and Wrestling each at \$1000

Winter Dance Update

Romaine – talking about the silent disco and looking that last Friday and Saturday of February. The 29th there will be a basketball tourney going on earlier in the day so could be a conflict.

After Prom Update

Romaine – April 18th talking about the budget. Went over the summary of the budget from the previous years.

Regular cost is around \$15,000 each year. Much of these funds come from grants like local governments, fire, police, etc..

350 kids came to the event last year and kept them safe.

Gift and prizes are given out to help keep the excitement going throughout the night.

Need to discuss the cost for the security on site, entertainment, DJ, some food paid for and some donated.

Cash prizes are also given out

At this time, we need to bring in \$7000 to come in equal at this point after sponsorship.

Need the volunteers and people to help with organizing and working the night of event.

Have half of the prizes at this time, and still needing to work on

Looking to see if Mahnke is willing to help with water for the event.

After Prom Next Meeting Wednesday 1-22-2019 6:30 PM

Meeting is in the commons and come ready with laptops and to plan.

Attendance Rewards

Ryan – work on a new program to help with attendance and show support to those kids that are working hard on attendance.

Give out little rewards like \$5 gift certificates like from Starbucks, Dairy Queen, etc...

Go out and check with local vendors to see if we can get some sponsorship and help with supporting attendance.

Walgreens writes a check from the purchases of Frederick gear and that could be funds available to help with this program.

Motion to take \$500 out of two accounts (\$250 out of each account) that is available, and motion was seconded and all approved.

Work the program to help rotate the awards by doing a drawing of the top students each week and help get the awards out to more students to help motivate kids.

Possible at the end of the year take the total of the winners and maybe a grand prizes to compete for.

Mahnke Water donation
